

How To Conduct An Online Class

Learn how you can use technology to bring the classroom online

There is a significant difference between the traditional and the online classroom. The experience in online learning is not the same as face to face learning, but virtual courses ensure that students can learn at any time, from anywhere. The educational institutions in India, as well as other nations, have been on lockdown because of the COVID-19 pandemic. This has led to the urgent need for conducting online classes to ensure the continuity of education through the use of numerous tools such as Canvas, Google Classroom, Edmodo, etc.

Since this can help to cover a certain portion of the syllabus, conducting exams after the institutions reopen, will become somewhat easier. There are
