

How to use UPI to transfer money

Avoid the hassles of bank transfers and save time with UPI payments

UPI stands for Unified Payments Interface. It is a real-time payment system that allows the instant transfer of funds between two bank accounts with the help of a mobile platform. UPI was developed by National Payments Corporation of India (NPCI). UPI started its operations in the year 2016 and is regulated by the Reserve Bank of India (RBI), with the help of the Indian Bank Association (IBA).
