

through toll. A FastTag is generally fixed on the top of the windscreen from the inside of the vehicle. It is recommended to keep the FastTag sticker adhesive side to the outside. Users must avoid changing or removing the position to keep using this tag for years.

Now you can pay toll plazas with FastTags directly from your FastTag wallet and ride freely across highways without standing in a traffic lane. Thus keeping the process simple and offering more insights for improving highway management.

Banks participating in the nifty technology include Axis Bank, ICICI Bank, SBI Bank, IDFC Bank, Equitas, Punjab National Bank, Syndicate Bank, Karur Vyasa Bank, HDFC Bank, Federal Bank, Saraswat Bank, South Indian Bank, Syndicate Bank, and Paytm among others. While point of sale (PoS) locations are under four banks with ICICI bank, Axis bank, IDFC Bank, and SBI bank for now.

One time charges are applicable for FastTag at a minimum of ₹200 that includes a one-time joining fee of ₹100 plus taxes. This amount varies based on the vehicle. Here is a list of tag amounts based on different vehicle types.
