

unusual number of kids clustered around it, watching the best kid from the block go all the way around in just a quarter. Those were the times when the highest scores matter the most. Now, in 2020, the medium has changed a little bit. Now, we have computers everywhere, and people showcase gaming skills using platforms such as discord, Twitch, and YouTube.

If you are a gamer who loves to play games and is quite good at it; yes, we are talking about your killer streaks and the kill-to-death ratio, then you, too, should try your hands on recording your gameplay and show it to the world. This is high time for gamers, and you want to start now to earn that sweet trophy of yours, which you wanted for so long. **d**
