

iii. The Home.html Body

This section would describe why a customer would purchase the CRM Easy service. Add this code after the {# Main Section #}.

```
{# Main Section #}
<div class="mkt-s2 container">
  <h2 class="mkt-s2-h">Why Buy CRM Easy?</h2>
  <div class="mkt-s2-body">
    <div class="col-md-4 mkt-vp">
      
      <h5>Save Time</h5>
      <p>By tracking your customers by
      using an application, you could locate
      them faster. Don't go for searching email,
      business cards, or spend your time online -
      just open CRM Easy application and you are
done!</p>
    </div>
    <div class="col-md-4 mkt-vp">
      
      <h5>Stay Current</h5>
      <p>Keeping track of customer details
      is a critical part of serving the customer
      right. Assure that you know what they actu-
ally want and when
      they want it. Use CRM Easy to track cus-
tomer
      communications.</p>
    </div>
    <div class="col-md-4 mkt-vp">
      
      <h5>Win Business</h5>
      <p>By tracking customers and staying
updated
      on the requirements, you'll find yourself
in a position
      to sell your products or services.</p>
    </div>
  </div>
