

You can understand the metrics using:

- Average viewers
- Live views
- Subscriptions
- Revenue
- Minutes watched
- Time streamed
- Followers
- Maximum viewers
- Unique viewers
- Raid viewers
- Unique chatters
- Chat messages, and more.

Mobile Video Streaming Concept

Ways to Increase Your Live Stream Audience: Non-Technical

1. Be clear about why you want to stream your game live

There are two reasons that a viewer, especially in the millennial crowd, watches a gamer live stream.
