

Old School RuneScape

Your audience has a very significant influence on how the game is played so they are very helpful. Players who want to stream this game will probably have a lot of help from the audience of Old School RuneScape who tune in to their streams. If you want to spend all your time fishing and cooking you can, and your audience will be in it too, it is also a very enjoyable game to play.

3. Hades

This latest release is one of the top rated indie games on Twitch and is gaining quite a bit of attention. You play, in this title influenced by Greek mythology, as Zagreus, the son of Hades, who dreams of meeting his family
