

CHAPTERS

BUILDING A DISCORD COMMUNITY APRIL 2021

PAGE #

- 06 Introduction – basic server setup**
The first step toward using Discord is creating the foundational unit of the platform – a server. In this chapter, we discuss the intricacies of setting up a Discord server.
- 12 Adding custom emoji**
Learn how to create custom emojis on Discord, add animated emojis, integrate custom emoji to your Discord server, and much more.
- 20 How to use Discord Markdown?**
Adding flavor to your everyday text messages to make them stand out.
- 26 Manage channel roles and permissions**
The customisability of Discord servers has been discussed by the best in the tech business. Let us look at how you can assign roles and permissions as a moderator of a Discord server.
