

CHAPTERS

AUTODESK MOTIONBUILDER

JULY 2021

06 Introduction

What's MotionBuilder all about? Also, what all can you do with this powerful software?

13 Interface

Know all about the interface of MotionBuilder before getting started with the rest.

27 Character rigging

Rig a character properly using MotionBuilder to make its gait seem natural.

32 Creating a walk cycle

This is one of the basic things for an animator to learn, but is a surprisingly comple endeavor
