

Digit Binge

Digit Binge is an excellent online platform for binge-watchers. This online streaming service allows you to watch various shows from other platforms like Netflix, Amazon Prime Video, Zee5, Hotstar. You can rediscover the joy of new content from any OTT platform on Digit Binge. Digit Binge helps you search content based on your preferred language. It offers various shows in fourteen languages, including Indian languages like Hindi, Tamil, English, Malayalam, Bengali and Marathi.

Paying for each OTT platform separately can be a little heavy on the pocket. But with Digit Binge you get the content of almost all the streaming platforms under one roof. Digit Binge is truly versatile, providing you access to content of different genres. Digit Binge offers all these features with a minimum subscription charge of Rs. 249 per month. With almost 20,000 plus hours worth of content, Digit Binge is fast becoming a popular option among Gen Y and Gen Z.
