

Adobe Creative Cloud – a giant in the application industry

- InCopy
- Lightroom Classic
- Media Encoder
- Character Animator
- Prelude
- Fuse
- Bridge

Along with 100GB of cloud storage, Adobe Fonts, Adobe Portfolio, Adobe Spark and first priority immediate access to the latest updates and features as soon as they're released.

There are several payment options available for individuals (ordered most expensive to cheapest):

1) Monthly plan – ₹6,346.04/ month

This is perfect when you realise the 7 day free trial wasn't enough at all and you want to invest more time and effort to get to know the suite
