

Why should you be concerned?

Want to know the 13 Reasons Why, you should be concerned about your data? Here they are!

Identity theft is not a joke!

Yes, it is not. Dwight said the right thing in *The Office*. Just look at the numbers. This entire pandemic outbreak, which has forced our daily activities to shift to the online medium, has not helped that too. As of May 2020, 22 per cent of the respondents in a survey titled, Global increase in identity theft risk since the coronavirus outbreak as of May 2020, reported that there was a significant increase in the cases of identity theft.
