

59 Know the laws

Did you know that there is a bill in the Parliament that would help you advocate your personal data security?

66 What to protect?

You need to concentrate your efforts to the most vulnerable points of entry into your world. So be prepared with your own security plan.

73 Keep an eye on the rear-view mirror

Not all things are bad on the internet, but the real world is also not all that great when it comes to information management and security.

80 On the online stage

Be prepared for every adversity that the 0s and 1s throw at you when out in the public, online.

89 Parting Advice

Some final words before we leave. After that, it's you and your data.
