

Web Sites

- **FactCheck.org** is a nonprofit, nonpartisan website run by the University of Pennsylvania's Annenberg Public Policy Center with the goal of minimising deceit and confusion in American politics.
- **PolitiFact:** A nonpartisan site with the "truth-o-meter," which gives levels of truth to political claims, PolitiFact was acquired by the Poynter Institute in 2018 and is funded by internet ads as well as private contributions.
- **FAIR:** FAIR is a nationwide media watchdog organisation that focuses on exposing media bias and censorship while also encouraging varied, dissenting media opinions.
- **OpenSecrets:** OpenSecrets is a reporting, data, and scholarly resource on money in politics from the Center for Responsive Politics, a research group that studies the effect of money in American politics.
- **Snopes:** An independent organisation that fact-checks any storey worth verifying, Snopes is the original fact-checking and myth-busting site.

For India, one can check the signatories to the IFCN Code of Principles over here - <https://ifcncodeofprinciples.poynter.org/signatories>

These are websites which have been vetted by independent journalists to see if they adhere to the principles laid down by the Poynter Institute. **d**
