

Publishing the app

They say that the journey is more interesting than the destination, but there are miles to go before you sleep

As an aspiring Android app developer, one of the most exciting moments is when you're ready to publish your app to the world. But the process of publishing can be confusing and overwhelming. In this chapter, we'll guide you through the steps to publish your Android app on the Google Play Store, so that you can share your creation with the world.
