54 Disrupt the future
Here's looking forward to 10 disruptions we think will define the future world we will find ourselves living in.

The race to space
How is today's space race shaping the present and the future of space exploration? **64**

TRIED & TESTED

86 ASUS ZENPAD 7
Unexpected from the makers of the Nexus tablet

88 ECS Z170 CLAYMORE
An inexpensive Z170 gaming motherboard

89 VIDEOCON DDB TV
Has a built-in set-top box, one less remote to worry about
