Bluetooth Speakers

THE WINNERS

Best Performer B&O Beoplay A1

The Bang & Olufsen Beoplay A1 looks beautiful, delivers incredibly tight audio across the spectrum. It maintains excellent clarity of sound, and offers a little more than 24 hours of playback if you play music at around 60 percent volume. It is what you would expect a premium portable Bluetooth speaker to be, and with the USB-C port, it is even

adhering to the latest standards. A multitasking button on the speaker allows you to tap it once to pair to your last-used smartphone and resume playback from the last track, and B&O states that it will gain more uses in future, with firmware updates. At ₹17,999, you

cannot go wrong with the B&O Beoplay A1. It is the best performer of our premium portable Bluetooth speaker shootout.

Best Buy UE Boom 2

The Boom 2 is a great device, offering excellent audio quality, great looks, water resistance and sturdiness that make it the value-for-money portable

Bluetooth speaker to buy in this premium segment. The Boom 2 also offers nearly 50 feet of wireless connectivity, a tripod mount and nearly 16 hours of battery life, which makes it the ideal speaker to go outdoors with. The Boom 2 offers the best price to performance balance. At ₹15,990, it is the winner of our Best Buy award. **1**

SOMETHING EXCITING THIS WAY COMES

The Digit e-mag app is now listed on app stores

It's still in beta though. We're perfectionists and want to make the app even better before the "official launch".
