45 Detective Data

The long arm of the law just got a little longer thanks to Big Data. But are you willing to let go of your privacy to be safer?

Our future is Dataism

It's a new global religion. We're already practicing it, knowingly or unknowingly.

48

TRIED & TESTED

59
ASUS ZENFONE 3

The latest flagship from Asus is not a complete package

60
RIPSAWS MX780

Competitive feature set from G.SKILL

61
BRAINWAVZ BLU-200

Incrementally better sounding than its younger sibling
