

A

fter years of long wait, Mafia III finally comes knocking on our doors. The game is set in the fictional city of New Bordeaux which is analogous to present day New Orleans. Much like the previous game, Mafia III follows the protagonist return from the war torn battlefield of Vietnam, and personifies the struggles and anguishes of the character hence.

Storyline & Characters

The storyline of Mafia III is perhaps one of its strongest suits. Throughout the entirety of the game, cut-scenes filled with dialogues ranging from videos of the events associated with the game to the testimonials and documentary-type presentation of events gives the game a depth like no other.

Mafia is exceptionally dark, and the developers have done well to not filter out the gritty abhorrent atmosphere that prevailed in the 1960s. It also showcases the hatred a section of people used to harbor towards members of the African American community – this is readily visible in the game mechanics too – as compared to white neighborhoods, the police will take longer, and sometimes not even show up, in response to a crime committed in black neighborhoods such as the Bayou. The story outlines our hero Lincoln Clay and his search for justice tearing down each
