34 Customise Everything

Nothing is perfect, including the tech that you deal with everyday. Every single piece of technology around you can be tweaked to suit your needs, to make it unique or get more out of it. We show you how to customise every aspect of your tech life.

TRIED & TESTED

58 HIFIMAN HE560
Beautifully crafted, openbacked, planar magnetic headphone

59 ASUS GL553VD
Gaming on a good budget

60 ZOTAC GTX 1080 TI AMP! EXTREME
The highest clocks we've seen
