

JDI (Japan Display Inc.) showcases a new E Ink display with 600PPI which is twice that of the best e-displays today. <http://dgit.in/600PPI>

The company confirmed that the 3T is getting discontinued. Presumably to make way for the upcoming OnePlus 5 <http://dgit.in/RIPop3t>

ALGORITHM TO WRITE AN ALGORITHM

- come. So, it MUST pronounce to the world that the claimant is the king of Mars or not!

Now that we have become the King of mars let's do a bit of time travel and rule Rome as well! We need to send out a secret message in crypto-

Our Message, thus becomes: GR
QRW NLOO WKH TXHHQ. Now
summon the messenger and send him
to Anthony as fast as possible with
this encrypted message. Godspeed!
