

GEEK CULTURE IS OUR
WAY OF LIFE, AND
ENCOMPASSES MOVIES,
GAMES, COMICS, AND
TRENDS FROM ACROSS
THE GLOBE

A lot to learn

THE CULTURE SECTION THIS MONTH starts off with the PC Master Race (We are all proud members here at Digit Labs), moving on to taking apart Apple's annual developer conference - BooMan style! Also check out what our community members are up to with Discussions and Community.

What to stream on Netflix and Amazon Prime Video this month

We put together our monthly list of TV shows, movies, documentaries and stand-up acts you can catch on Netflix and Amazon Prime Video this June. Take a peek

Netflix

▪ Okja

Many intense debates have been stirred because of South-Korean director Bong Joon-ho's movie – Okja, is the name of a very large, hippo-esque animal and the movie follows a young girl's struggle to save its life from corporate greed.

Release Date: June 28

▪ Gypsy

The plot of the show unfolds as Jean Holloway (Watts) starts developing intimate relationships with her patients; losing track of her practice and making questionable choices while she's at it.

Release Date: June 30

▪ Nobody Speak: Trials of the Free Press

Considered as one of the most important First Amendment (freedom of speech, religion, etc) cases in the history of the US, this documentary made by Brian Knap-

penberger raises some important questions about the role of the media in a capitalistic society.

Release Date: June 23

Amazon Prime

▪ Le Mans: Racing is Everything

This limited series documentary follows the dangerous 24-hour long Le Mans sports car race, considered as one of the toughest test of endurance in the world.

▪ Kanan Gill: Keep It Real

Who doesn't like Kanan Gill, the guy who gave us the Pretentious Movie reviews? Amazon has some great comedy specials and Gill's hilarious stand-up act is definitely one of them.

▪ War Dogs

War Dogs is a movie from 2016 starring Jonah Hill and Miles Teller. The movie is based on a true story about two men who set up an illegal (but highly profitable) business at the back of small-time military supply contracts, until they scored a big one from the Pentagon.
