This is not a CGI scene from some sci-fi movie, it's what is known as a 'once in a lifetime picture'.

When a suspicious car parks in front of your house.

A fire breather kissing a fire dragon.

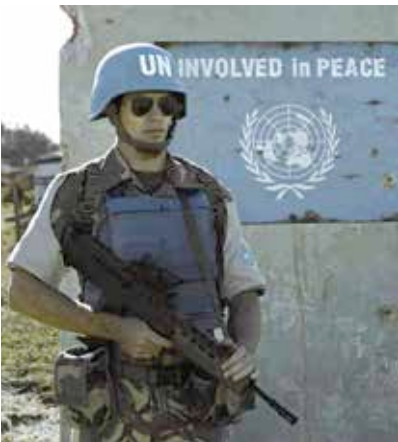

Ant caught in a water droplet.

You thought dragon balls and Saiyans were fake? That's just what they want you to think.

I want room art that'll make the whole world think it's photoshopped. Painter: Hold my beer! (Side view of the room - <http://dgit.in/3dRart>)

Talk about being in the wrong place at the right time.
