

Enjoy life-size.

Experience computing on a bigger screen.

Who said internet browsing, working on a software, gaming or even e-broking need to be confined to a small computer screen only ?

Introducing **Wi-KeyTouch**. An advanced **remote control for your computer** that allows multi-angle connectivity from up to 10 meters with plug & play feature. Connect your computer/laptop to your LCD/TV* and enjoy movies, music, photos, games, YouTube and just about anything that you do on your computer with life-size enjoyment.

2.4 GHz Wireless Interface • Smart Touch Pad • Long Battery Life
• Plug-n-Play • Xbox/PS3 Compatible
