

MIX IT UP

M102

M202

Are there multiple iPhone or iPod players in your house? Now everyone can get a charge. Introducing the dual-dock (Octiv™ 202) for iPhone & iPod. It does everything a docking speaker does multiplied by two! Charge up and Rock out to your choice of music. With the free Music Mix app you can now shuffle songs from both players and seamlessly share each other's music without skipping a beat. Plus, its wedge design fits neatly on you desk, kitchen counter, and other tight spaces. Best of all, the Altec Lansing name means a crisp, clear sound to put your groove.

- Fits neatly in tight spaces like corners and kitchen counters
- Full-feature remote
- Built-in USB port lets you charge a third device
- Listen without interference, shielded for mobile phones
