Enjay Support Includes....

OS, Devices & All Common Applications

Case Study
Of the month

Vikram Chauhan says....

Vikram Chauhan
(IT Manager)
Olive Health Care
Daman (Gujarat)

Cost of proprietary software licenses was going way beyond 20,00,000/- which has been phenomenally reduced by Enjay and their Linux services. Enjay and its employees have helped us to reach our goal by training our desktop users & desktop administrator. They have been tied up with us for a yearly support which till now seems to be very good and significant.
