The ASUS U Series Bamboo Collection Inspired by nature. Designed for style.

Green living is an ideal, an aspiration, and above all, a choice. The ASUS U36SDBamboo Collection notebook sports the new Intel® Core™ i5 processors offers us that all-important choice. Delightfully slim and light, the U36SD Bamboo notebook boasts a smoky-brown bamboo exterior reminiscent of contemporary designer furniture, bearing natural patterns that are unique to each notebook. Inside, chiclet keys rise like pebbles seamlessly from a lagoon of brushed aluminum, adding to the notebook's modern-yet-traditional allure.
