The **ViewSonic** 53 Series LED with Dual-HDMI

ViewSonic 53 Series LED

A Window Evolved for Amazing Work and Entertainment

In every sense of perfection, ViewSonic commits to the endless pursuit to surpassing itself - its next-generation LED monitors raise the absolute bar for even the most discerning users. The advanced dual-HDMI design brings in media entertainments with or without a computer, the class-leading 30,000,000:1 dynamic contrast ratio and mind-blowing 1ms response time challenges everyone for the smoothest color transition and depth. With the stylish detachable base that fits your taste and room decor in every way, the ViewSonic 53 Series is another window that opens to unseen sceneries.
