Digit takes a closer look at this 2009 buzzword to see if it's still relevant in 2012

5 cool ways to use GPS

Transform your smartphone into a fitness trainer, restaurant finder, geotagger and tracking device

McBeats head-phone featuring Graff diamonds

If you're a big fan of bling – like Lil Wayne featured here or LMFAO at the Super Bowl – and Beats Audio, then these diamond-studded Beats headphones are perfect for you. There's not much dirt on the specs but these cans will set you back by a whopping ₹5.2 crores. This baby may not appeal to the audiophile in you though. Watch its promo video here: <http://dgit.in/13Ezop>

Seriously expensive gadgets you simply can't afford

Victorinox 1TB Swiss Army Knife

Try to think of an uber-cool thumb drive. Can't think of any? Well, take a look at the Victorinox Swiss Army Knife. It's not just any army knife; it has a powerful tool concealed within to conquer your burgeoning appetite for data-on-the-go – a 1 terabyte USB 2.0 flash drive. Apart from the thumb drive, the tool comes with all the trademark blades and knives. Just why one would think of sticking a 1TB thumb drive into this set defies logic and basic weapon knowledge, but it's meant for a digital warrior, perhaps? ₹1.6,00,000 for this weapon-cum-accessory.
