**Car Drive Alert**

This little device will make sure you don't snooze off while driving. Once worn, it'll analyze the angle of your neck and buzz whenever your head dips down. Maybe we would use it during exam time too.

₹500

48

Night vision rear view camera

Avoid blind spots while reversing your car at night. No night vision does not imply visibility in complete darkness in this case. The reflection of a rear-view camera is horizontally flipped so that it produces a mirrored image.

₹2,999

49

Scosche USB 12v Car Charger

Charge your phone, tablet, or just about anything that charges via USB, while on the go in your car.
<http://dgit.in/IvWqTr>

₹899

Home Accessories

50

Sun Jar

Sun Jars and Lava Lamps have been quite a thing abroad and now finally these curious little luminous baubles have started becoming easily available here too.
<http://dgit.in/KgO95e>

₹1,999

51

Dexter Blood splattered coasters

For fans of the thriller series *Dexter*, this coaster set is just a way of showing off your affinity towards blood splatters.
<http://dgit.in/Iow0IE>

\$20

52

Keyboard Welcome mat

Welcome the guests at your home with this Welcome mat which has a keyboard design on it, thereby establishing the fact that the guest is entering the house of a certified geek.
<http://dgit.in/IvWGBC>

\$32

53

Pivot Power

Add some spice to the boring old power strip, with this articulated powerstrip which is flexible so you can arrange the power connectors in a way such that all the power plugs are comfortably connected on it.
<http://dgit.in/IhixWQ>

\$30

54

Dyson Air Multiplier

This is as designer as it gets. Dyson's Air multiplier is basically a bladeless fan which comprises a hollow ring. Air is basically sucked into the base of the fan and then forced around the inside of the ring and shot out to one side of the ring.
<http://dgit.in/IxsWU9>

\$300

55

Air Switch

If unique home equipment is what you dig, this Air Switch is right up your alley. It is just like a normal lamp which does not require any plug points. It uses hand gesture to turn the light on or off.

₹6,299

56

₹3,299

Clocky Chrome

Are you one of those people, who will diligently put an alarm, and then when it rings, snooze it off for over two hours and then realise 'OMG I'm late, again'? Invest in this alarm clock which has wheels and the moment your hand goes near the snooze button, it will roll away, leaving you with no option other than to get up.
<http://dgit.in/I83mH1>

57

Periodic Table curtain

For chemistry geeks and followers of *The Big Bang Theory*, this periodic table curtain makes for an interesting gift item. Not only is it functional, but it also helps you recall element names and their short forms quickly.

\$30

58

USB vacuum cleaner

Always a handy USB accessory to have considering how dusty things can get in our country. Just power it with the USB port and clean up the tricky space between the keyboard.
<http://dgit.in/Iaa91J>

₹400

59

Digital luggage scale

Getting charged extra by an airlines because of excessive luggage isn't fun. This digital luggage scale will prevent that. It's accurate up to 40 kg of load (with a 20g margin of error).
<http://dgit.in/IZugSb>

₹474

USB Accessories

60

USB hub cum pen holder cum speaker

So many things rolled into one, this little accessory has got to be cool. Plus the LED can be used as a nice night lamp.
<http://dgit.in/IwevD9>

₹299

61

USB Finger Mouse

Use this finger mouse on any surface. It uses an optical sensor to guide your pointer, while you have to use your thumb to click the left, right and scroll buttons. Should be good for cramped spaces such as on a flight.
<http://dgit.in/IE7Mrs>

₹399

62

USB Digital microscope

This one is for all you science geeks out there. Using this digital microscope powered by your humble USB drive, you can go all the way from a 20x to 200x magnification level.
<http://dgit.in/IwewHF>

\$70

63

Darth Vader USB hub

If you are a *Star Wars* fanboy, make that bloody evident by having this ubercool USB hub. If you aren't a fan, then gift it to a friend (we are sure you will have a friend who is a *Star Wars* fan) and see the glee on his/her face.
<http://dgit.in/Ih5vCP>

\$94

64

3-digit USB security lock

Go old school on your USB drives and lock them up, well literally, with this 3-digit security lock. No need to get the USB encrypted when no one can really plug in your USB drive.
