

A photograph of Sachin Tendulkar, a famous Indian cricketer, standing with his arms crossed, wearing a green Kaspersky polo shirt. Behind him, on a wooden floor, are cricket pads, a bat, a helmet, and a red ball. A laptop is open, displaying a quote from him about Kaspersky.

My personal life, my cricketing achievements. It's all here and part of what makes me who I am. That's why I protect it with Kaspersky.

- Sachin Tendulkar

Safeguarding Me

The idea of cyber criminals accessing my personal files used to really scare me. But since I started using Kaspersky I just don't worry about it.
