Insurance is the subject matter of solicitation. In this policy the investment risk in the investment portfolio is borne by the policyholder. The premiums paid in Unit Linked Insurance Policies are subject to investment risks associated with capital markets and the NAV of the units may go up or down based on the performance of the fund and factors influencing the capital market and the insured is responsible for his/her decisions. The Life Insurance Corporation of India is only the name of the insurance company and Flexi Plus is only the name of the unit linked insurance contract and does not in anyway indicate the quality of the contract, its future prospects or returns. Past performance may not be an indicator of the future performance. For more details on the risk factors, terms and conditions, please read the sales brochure carefully before concluding a sale.
