SOCIAL NETWORK SECURITY

Titanium's social networking security automatically scans your Facebook wall or Twitter feed and shows you safe links by highlighting them in green.

5 GB ONLINE STORAGE

Your Titanium Premium Security software

WORKS WITH ANDROID*

Extend your protection to your Android devices

* Terms & Condition apply

Data Theft Prevention

Titanium can help prevent hackers and spyware from stealing credit card numbers, passwords, and other sensitive data.

Parental Controls

Titanium parental control protect your kids 24/7 from inappropriate websites, control the apps they can access, limit their Internet time, and review detailed activity reports about what they do online.

System Tuner

System Tuner improves PC performance by recovering disk space, cleaning the registry, removing application histories, and instant messaging logs.
