

TASTYPC.TV

Those who say only boys like to play with CPUs, motherboards, graphics cards, cabinets, and other core components, check

this out. The technology “reviewer” over at TastyPC.tv is a beautiful, talented lady who knows her bits from her bytes. After getting over the initial shock and awe, one has to say that TastyPC.tv is a unique attempt at making boring tech refreshingly interesting, and even fun. <http://dgit.in/114JNfY>
