

Digital Photography Made Easy

Author: Don Lindich

Publisher: Penton Overseas

Synopsis

If you're a novice to digital photography, it has everything you'll need to know for a good long time, without overwhelming you with too much information. And if you do get stuck, you can email the author and ask him for further explanation—at no cost!

How to Do Everything with Digital Photography

Author: Dave Huss

Publisher: McGraw-Hill Osborne Media

Synopsis

Avoid the time-consuming task of image editing by taking great pictures from the get-go. Dave Huss walks you through the fundamentals of taking great digital photographs by dispelling digital photography myths and teaching you how to maximise all camera features available to you. Discover how to take clear, sharp, professional-level photographs every time; use light wisely; use flash photography to your advantage; match your camera to your computer; share your photos, and much more.
