

Symantec Worldwide Home Page

www.symantec.com

The premier site for most people who get hit by a new worm! Symantec is not merely just a home to one of the world's most

widely used antivirus solution, but it's considered a Mecca for people who want to follow up on the latest developments in the antivirus industry.

Vmyths

www.vmyths.com

The term 'Computer Virus' can be quite scary for some people, and for those who don't have the knowledge about it can be led to believe anything. That's where Vmyths comes in.
