

Wi-Fi Toys: 15 Cool Wireless Projects for Home, Office, and Entertainment (ExtremeTech Series)

Author: Mike Outmesguine

Wireless is all about freedom, freedom from cables, cords, plugs, and limitations. So why be limited to readymade products? This book frees your imagination as it helps you create 15 exciting, individual projects using wireless technology. Each includes the necessary background, a list of materials, and step-by-step, illustrated instructions. Wardrive with Netstumbler and map your results. It's your freedom. Make the most of it.
