

Blogging: Genius Strategies for Instant Web Content

by Biz Stone

Turn your home page into a microportal with fresh content that will keep readers coming back. The first hands-on book on building blogs, this is an excellent tutorial for new bloggers, and includes many advanced techniques for veteran bloggers. Simply put, blogging is an easy way of updating a web page via a browser without the hassle of launching an FTP client or HTML editor.

With all the templates, add-ons, and extra features associated with building this microportal, the blog is a new take on the home page. The blog brings the voice of its creator to the surface, builds it into the design, and keeps the content fresh and meaningful. This book features hands-on tutorials for building a blog, adding a user based commenting system, adding team members, syndicating with JavaScript, adding searches to a site, and

much more. This is the book for creative web-enthusiasts looking for the 'next thing' and it's the first book of new ideas and advanced tutorials for bloggers already numbering in the hundreds of thousands.
