

## Essential Blogging

by Shelley Powers, Cory Doctorow, J Scott Johnson, Mena G Trott, Benjamin Trott, Rael Dornfest

Anyone can run a blog. From personal diaries to political commentary and technology observations, bloggers are making their voices heard around the world. *Essential Blogging* helps you select the right blogging software for your needs and show how to get your blog up and running.

You'll learn the ingredients of a successful blog, and then get detailed installation, configuration and operation instructions for the leading blogging software: Blogger, Radio Userland, Movable Type, and Blosxom. After showing you how to acquire, set-up, and run these leading software packages, *Essential Blogging* takes you through the more advanced features, so that by the time you finish, you'll be up and blogging with the best of them.

Written by prominent bloggers and authors of blogging tools, *Essential Blogging* is a no-nonsense guide to the technology of blogging.
