Have a nice summer!

The sun is shining here in Malmö, Sweden and it's time to cool down and even unplug for a while. I won't be writing here again -- or even read other blogs -- until sometimes in August. Subscribe, or stay subscribed, and you'll know when I'm back. I wish you all a great summer.

Blogging works: A personal success story

I want to tell you a blog success story -- a story about how I were able to start a project for client that never would have happened without blogging. We're not blogging in the project but that's not the point. The point is that *blog networking works*.

Remember the post where I and Neville wanted to find freelance writers? We

BUSINESS BLOGGING BASICS
