Google

Web allrss.com

The RSS Compendium is designed to link you to information about RSS readers, resources, tools, etc...

This resource was originally a sub-set of files in my Weblogs Compendium resource, but it has grown so much that it now demands its own index.

XML Latest entries from the RSS Compendium Blog. The full blog is here

08/15/2005 03:59 PM
 Microsoft exec defends RSS rebranding
 A Microsoft Network executive is defending Microsoft's rebranding of RSS (Really Simple Syndication) into "Web feeds" after a flurry of Microsoft bloggers accused the software giant of trying to recast the Web-site syndication technology in its own image

08/15/2005 01:41 PM
