

- What are my interests?
- Do I want other opinions and thoughts on these interests?
- Will I benefit from meeting people with the same interests?
- What about those who disagree with my point of view?
- Can I handle criticism?
- Will I be able to make time to visit a forum regularly?
- Will/does this forum help people gain any knowledge?

Your answers should lead you to the right decision.

See the chapter *Bibliography/Recommended Sites* for a list of forums that cater to various interests. Depending on your interests, one or more of those sites will help you embark on your quest for knowledge... or fun!
