

The graphics in *Duke* were primitive, but we loved the game!

on it would go. You, as Duke, could just watch the scene and enjoy the fun - if you call gore fun, that is!

After a minute, the room would be entirely splattered with blood, the two God-bots stomping each other. And after a few minutes, the entire screen would be just a deep red, with just a little movement visible in the background! Great times! We wish we'd saved some screenshots...
