

11.3.5 Web Pages That Suck (www.webpagesthatsuck.com)

It's always great to learn from your own mistakes, but it's definitely more fun, and less expensive, to learn from the mistakes of others! WPTS is guide to what your Web site *shouldn't* be like if it wants to get popular. A great place for common

WPTS—Learn from everyone else's mistakes

great place for commonly-made mistakes in Web design.
