

self. The best looking stand-up comedy is when it's not intentional, that is, when you say something funny without having meant it that way!

World's Wildest Home Videos

The cool thing about home videos is that sometimes the inanest of things seem funny. Obviously, it helps if you have a cat that chases dogs, or a toddler who can play bridge, but not everyone is that lucky. Still, you have no idea how funny some regular home chores can be if screwed up convincingly enough.

Don't Be Serious

There's always TV for that!
