

13.1 How It Works

You can sign in using your Google ID or your Dodgeball ID

There are few basic requirements in order to make best out of this Google service.

- A cell phone with a mobile connection (obviously)
- An account at Dodgeball.com through Google Accounts or directly at Dodgeball.com
- Your friends should have registered at Dodgeball, or you can add them

Now let's see how this service works.

- Step 1: Sign up for Dodgeball using your Google ID (if you have one) or get a Dodgeball ID.
- Step 2: Log in to Dodgeball by registering your phone details and selecting your service provider. You'll receive a four digit code
