

A picture is Worth a 1000 words....

Head contest with fellow users. The other contest types—Photoshop, Photography, Multimedia and Text can be accessed from the top bar. Besides the contests, the site also has galleries containing user submitted works, though it is difficult to offer an estimate of the images contained within. The site also has a forum for users to exchange information. The tutorials link offers about 100 locally hosted tutorials.

6.3.4 <http://www.freakingnews.com/>

This is a site that holds daily contests involving the manipulation of images, based on some theme that is in many cases related to
