

which are also accessible from a link on the page. The other plug-ins are hosted externally and linked on this page.

Besides plug-ins, the site also offers links to sites offering free textures and brushes.

6.4.2. <http://www.allgraphicdesign.com/plugins.html>

Get thousands of plugins here

This page has a huge list of links connecting to plug-ins. A brief description of the site and the plug-ins on offer also accompanies the link. Most of the links on this page are for paid software. For free options, the link is available lower down the page. The free options can also be accessed from this page: <http://allgraphicdesign.com/graphicsblog/2007/10/08/1000s-of-free-photo-shop-plugins-filters-megalist/>
