

Media Players

Listening to music on your computer can be so much fun. But having to click multiple times to change your track, managing playlists or adjusting the volume can be a daunting task. Here are shortcuts that will make life a lot easier

7.1. Windows Media Player 11

Function	Shortcut
Zoom to 50 per cent	[Alt] + [1]
Zoom to 100 per cent	[Alt] + [2]
Zoom to 200 per cent	[Alt] + [3]
Show video in full screen	[Alt] + [Enter]
Switch to previous view (same as Back button) ..	[Alt] + [Left Arrow]

Use [F10] to get the standard WMP menu back
