

8.4 Fireworks

- Open a blank document. You can see a blank stage on the screen. This is shown below.

- Set the Background colour of the stage to black.

- Now create a star type sign.
- Convert this star shaped type sign into a Movie clip.
- For doing this, select the star sign and press [F8].
- A dialog box appears.
- Name it as "Star_mc" and select Movie clip.
- Click OK.
